

The MSU School of Social Work together with The MSU College of Nursing invite you to a screening of the award-winning documentary.

RESILIENCE: THE BIOLOGY OF STRESS & THE SCIENCE OF HOPE #102-18

The film chronicles the birth of a new movement among pediatricians, therapists, educators and communities using cutting-edge brain science to disrupt cycles of violence, addiction, and disease. This event will include an opening presentation on the ACES study, and an expert panel discussion following the film.

Learner Outcome: Event participants will acquire knowledge and skills related to the care of individuals/families with high ACE scores as collaborators with interprofessional partners in the community.

When: Thursday, April 12, 2018 from 6:15pm – 9:00pm

Location: [1355 Bogue Street, Room A133 Life Science Building, East Lansing, MI 48824](#)

Parking Information: Free Parking in Lot 92 or Lot 97 after 6:00pm

Register by April 5, 2018: FREE: <https://msuresilience.eventbrite.com>
