### **Education and Training**

- 1979-1980 James Madison College, Michigan State University, General Studies/Pre-Law  
1983 Nursing in England Summer Course, Royal College of Nursing, London, England, Michigan State University  
1980-1984 University of Michigan, School of Nursing, Bachelors of Science in Nursing  
1985-1987 University of Illinois at Chicago, School of Nursing, Masters of Science, Nurse Midwifery  
1994-1995 University of Pennsylvania, School of Nursing, Robert Wood Johnson Teacher Training Program for Nurse-Midwives and Nurse Practitioners, Post Masters Certificate in Teaching  
1996-1999 University of Michigan, College of Literature, Science and Arts, Graduate Certificate in Women's Studies  
1996-2001 University of Michigan; Doctorate of Philosophy, School of Nursing: Women's Health Concentration  
2001-2003 Post Doctoral Fellowship: Building Interdisciplinary Research Careers in Women's Health (BIRCWH) Institute for Research on Women and Gender K12 HD001438, University of Michigan

### **Certification and Licensure**

- American College of Nurse-Midwives (ACNM): #2828 November, 1986  
Registered Nurse: Michigan #1545246  
Certified Nurse-Midwife Specialty License: Michigan #1544247

### **Academic, Administrative, and Clinical Appointments**

- 02/1984 - 09/1985 Staff Nurse, Labor & Delivery, University of Michigan, Ann Arbor, MI.  
11/1986 - 05/1987 Staff Nurse-Midwife, Full scope practice, Hutzel Hospital, Detroit, MI.  
05/1987 - 12/1987 Acting Director, Nurse-Midwifery Service, Hutzel Hospital, Detroit, MI.  
12/1987 - 12/1993 Director, Nurse-Midwifery Services, Detroit Medical Center, Hutzel Hospital, Detroit, MI.  
Administrative, financial and leadership responsibilities including full scope clinical practice for 28-member nurse-midwife service, which grew from attending 100 women during childbirth to over 2000 births annually in five years. Program included several different community-based models under a single administrative umbrella.  
09/1990 - 05/1995 Lecturer, Nurse-Midwifery Program, School of Nursing, University of Michigan, Ann Arbor, MI.  
Taught across all of the midwifery program courses and served as a clinical preceptor at Hutzel Hospital and later University of Michigan Health System.

- 12/1993 - 03/2001 Staff Nurse Midwife, Nurse Midwifery Service,  
University of Michigan Health System, Ann Arbor, MI  
Full scope clinical practice. Appointments varied from 20%-80% FTE and were split between the UM Health System and the School of Nursing to support teaching in the midwifery education program.
- 05/1995 - 07/1996 Interim Coordinator and Lecturer Nurse-Midwifery Program,  
School of Nursing, University of Michigan, Ann Arbor, MI  
Administrative management of training grant for midwifery program during year of largest graduating class in midwifery program's history.
- 12/1996 - 03/1998 Faculty, Intrapartum Course Coordinator,  
Frontier School of Midwifery and Family Nursing, Lexington, Kentucky  
Community Based Nurse-Midwifery Distance Learning Program
- 01/1997 - 06/1997 Graduate Student Research Assistant,  
University of Michigan, Ann Arbor, MI  
Principal Investigator: Dr. Carolyn Sampsel, "Women's Voices: The Birth Experience." Funded by Institute for Research on Women and Gender, University of Michigan, Ann Arbor, MI.
- 09/1998-12/2000 Graduate Student Instructor, Perspectives in Women's Health Course,  
Women's Studies Program, University of Michigan, Ann Arbor MI  
Instructor for 3 discussion sections with 25 students each to assuming Lecturer role in course for 200 students per semester.
- 09/2000- 8/2016 Lecturer, Department of Obstetrics and Gynecology,  
University of Michigan School of Medicine, Ann Arbor, MI  
Academic and research based appointment for clinical work with medical students and residents. Role includes providing educational lectures to medical students and residents regarding normal birth care practices.
- 09/2003- 09/2005 Assistant Research Scientist, School of Nursing,  
University of Michigan, Ann Arbor, MI  
This 50% FTE appointment was combined with my 50% Lecturer appointment in the Women's Studies Department. The research appointment was funded by Principal Investigator and Co-investigator roles on NIH, Foundation and Internal grant awards. Expanded my research focus to care practices during labor to include care of women with PTSD and pelvic floor research/second stage management
- 09/2005-09/2006 Research Assistant Professor, School of Nursing,  
University of Michigan, Ann Arbor, MI  
Applied and was awarded this new 50% appointment which included 20% FTE support from the Office of the Vice President for Research as a promising new investigator. The remainder of the appointment was grant funded by Co-investigator roles on NIH funded projects. This appointment was combined with my Lecturer appointment in Women's Studies.
- 9/2005-09/20/06 Lecturer IV, Lecturer III (9/01- 9/05),  
University of Michigan, Ann Arbor, MI  
50% FTE appointment, Women's Studies Department, College of Literature, Arts and Science, Program in Women's Studies  
Expanded course offerings in gender and health curriculum, participated in the development of a gender and health minor in women's studies.

- 3/2001 to present Staff Nurse Midwife, Associate Member, Nurse Midwifery Service, University of Michigan Health System, Ann Arbor, MI  
Provide primarily intrapartum care 1-2 times per month and precepting midwifery and medical students and residents.
- 9/2006- 8/2013 Assistant Professor, University of Michigan, Ann Arbor, MI  
Joint appointment: School of Nursing (75% FTE), Women's Studies Department (25% FTE), College of Literature, Science and the Arts University of Michigan
- 9/2013- present Associate Professor, University of Michigan, Ann Arbor, MI  
Joint Appointment: School of Nursing (75% FTE), Women's Studies Department (25% FTE), College of Literature, Science and the Arts, University of Michigan  
When taking Associate Dean position, the FTE % changed to 100% Nursing and 0% Women's Studies with service responsibilities
- 07/2009-9/2015 Coordinator, Nurse Midwifery Education Program, School of Nursing, University of Michigan, Ann Arbor, MI  
Administrative responsibility for midwifery education program, maintenance of program standards to meet national accreditation criteria, develop and maintain clinical site options, retain qualified midwifery students, monitor curriculum elements for congruence with successful graduation and passage of national certifying AMCB examination.
- 04/2015-7/2015 Visiting Professor, School of Nursing Oregon Health Sciences University, Portland Oregon
- 9/2016-present Associate Professor, Department of Obstetrics and Gynecology, University of Michigan School of Medicine, Ann Arbor, MI  
Academic and research based appointment for clinical work with medical students and residents. Role includes providing educational lectures to medical students and residents regarding normal birth care practices.
- 9/2015-present Associate Dean for Practice and Professional Graduate Studies School of Nursing, University of Michigan, Ann Arbor, MI

### **Research Interests**

Doctoral Dissertation: Adolescent's experience of childbirth: "Nothing is simple"

Evidence based labor care practices during childbirth

Management of second stage labor and associated perineal and pelvic floor outcomes

Strategies to promote practices that support physiological childbirth including site and providers of care during the maternity care cycle.

Implementation science for evidence based maternity care practices to promote optimal health outcomes, quality and safety.

Promotion of pelvic floor health, bladder health, reducing risk for incontinence across the lifespan and secondary to childbirth

## Grants: Funded Research

(PI: Carolyn Sampsel) Institute for Research on Women and Gender and Office of the Vice-President for Research, University of Michigan Women's voices: The Birth Experience (Co-I Lisa Kane Low)	1996
(PI: J. Seng) University of Iowa CaRLIE Project Pilot Study of Methods to Explore the Psychobiologic Effect of PTSD and Childbearing (Co-I: Lisa Kane-Low)	2000-2001 12 months
(PI: Lisa Kane-Low) Kellogg Foundation Evaluation of a Community Based Doula Care Program For at Risk Mothers in Southeast Michigan	2002-2003 12 months \$37,500

(PI: Lisa Kane Low) Blue Cross Blue Shield Foundation The Role of Doulas in Supporting Childbearing Women with Depression. Awarded to Center for the Childbearing Year	2007-2008 \$50,000

(PI: Lisa Kane Low) Knight Foundation Douglas Care Program Expansion of Services in Jackson and Washtenaw Counties Awarded to the Douglas Care Program	2008 \$15,400
(PI: Lisa Kane Low) Michigan March of Dimes Douglas Care Program and Centering Pregnancy Program: A Model of Care for Childbearing Latinas in Washtenaw County Awarded to the Douglas Care Program (PI: Lisa Kane Low)	2008 \$24,500
Knight Foundation Douglas Care Program Expansion of Services to the Tri- Counties of Jackson, Washtenaw, and Livingston Awarded to the Douglas Care Program	2009 \$15,600
(PI: Lisa Kane Low) Knight Foundation Douglas Care Program Continued Expansion of Services to Jackson, and Livingston Counties Awarded to the Douglas Care Program	2010 \$12,500
Ryan White Part D. Perinatal HIV Prevention Program: Peer Doula Support Awarded to the Douglas Care Program	2012
(Co-PI: Lisa Kane Low (Volunteer) & Leslie Cragin (Staff)) Awarded to the American College of Nurse-Midwives Foundation from Transforming Birth Fund Reducing Primary Cesarean Project: Building Midwifery Leadership in a Quality Learning Collaborative: Project has engaged over 27 hospitals in reducing primary cesarean birth rates for low risk women. Lead role included program development, safety bundle development for EFM and training to implement bundles	2016, 2017, 2018 \$65,000-88,000 annually

### Honors and Awards

1983	Sigma Theta Tau Rho Chapter Induction
1984	Summa Cum Laude, University of Michigan
1985	American College of Nurse Midwives Foundation Scholarship
1996	Edna Mae Doyle Teacher of the Year, School of Nursing, University of Michigan
1996	Dean's Merit Scholarship for Doctoral Program, University of Michigan
1997	Outstanding Student in Research, School of Nursing, University of Michigan
1997	ACNM Foundation / Ortho McNeil Fellowship for Graduate Study

- 1998 Best Scientific paper Award: “Every woman’s labor is unique. . .call me when your contractions are 3 minutes apart,” Division of Research at the American College of Nurse Midwives 43<sup>rd</sup> Annual Meeting and Convention
- 1998 Graduate Student Poster Award for “Every woman’s labor is unique. . . call me when your contractions are 3 minutes apart,” Michigan Initiative for Women’s Health, University of Michigan
- 1999 “Sumner Thervet Women’s Studies Summer Scholarship” award, for dissertation research, University of Michigan
- 1999 Best paper, Childbearing Research Section, Midwest Nursing Research Society for “Every woman’s labor is unique...”
- 2000 “Excellence in Teaching” award, American College of Nurse Midwives Foundation, student selected
- 2001-2003 Building Interdisciplinary Research Careers in Women’s Health (BIRCWH) Scholar, Office of Women’s Health Research NIH post-doctoral fellowship, Institute for Research on Women and Gender K12 HD001438, University of Michigan. One of first two nurses appointed nationally to this competitive interdisciplinary research development program.
- 2002 Fellowship in the American College of Nurse Midwives
- 2003 “Outstanding Community Leader” award: Students for Choice, University of Michigan
- 2004 Best Paper of the Year 2003, *Journal of Midwifery and Women’s Health*, Adolescents Experiences of Childbirth: Contrasts with Adults (dissertation manuscript)
- 2004 Simon Foundation Think Tank on Vaginal Delivery versus Elective C-section as women’s choice in effort to prevent pelvic floor disorders, Chicago, IL.
- 2005 International Continence Society 35<sup>th</sup> Annual Meeting, First Prize, Epidemiology and Outcomes, co-author on the abstract
- 2005 Lamaze International Research Award, as member of Optimality Index Work Group of the American College of Nurse Midwives Division of Research
- 2005 Best Poster 2005, Division of Research, American College of Nurse Midwives, June 2005 for “Role and Scope of Practice of Doulas as members of the Maternity Care Team; Results of a National Survey
- 2006 Book chapters in Women’s Gynecologic Health which received American College of Nurse Midwives “Book of the Year” eds. Kerri Schuiling and Francie Likis
- 2006 “Excellence in Undergraduate Education” award, College of Literature Science Arts, University of Michigan
- 2007 “Excellent in Research” award, Sigma Theta Tau, Rho Chapter
- 2008 One of five finalists for “Ann Arbor Citizen of the Year,” for Community Service with Doulas Care Program
- 2009 “Excellence in Teaching” award, American College of Nurse Midwives Foundation, student selected
- 2010 “Best Paper Clinical: Non-surgical, American Urogynecologic Society, October, 2010: “*Prevention of post-partum incontinence using perineal massage, spontaneous pushing and pelvic muscle training,*” co-authors Janis Miller and Carolyn Sampsele
- 2012 “High Honors” awarded for mentee Lauren Rink’s undergraduate honors thesis in Women’s Studies and Communications Department: “*Even more scared*” Reality TV shows of childbirth

- 2012 Outstanding Honors Student Project Award for mentee Hannah Richardson, School of Nursing, "Nurse communication regarding position during 2<sup>nd</sup> stage labor of nulliparous women"
- 2012 "Best Paper in Measurement/Testing/Evaluation" American Urogynecologic Society, October 2012. *Evaluating maternal recovery from labor and delivery (EMRLD study): Serial MRI post first vaginal birth reveals nature of levator ani injury*. Miller, J.M., Brandon, C., Low, LK, Ashton-Miller, J., DeLancey, J.
- 2013 Distinguished Service Award , American College of Nurse Midwives for exceptional volunteer service to promote midwifery
- 2013 Best research presentation: American College of Nurse Midwives Division of Research: Predictors of Severity of Levator Ani Tears following first complex vaginal birth, ACNM Annual Meeting, Nashville, TN June 2013
- 2014 Dean's Research Day: Best Poster: "Fear in Childbirth: Use of the Wijima Fear Expectancy Survey with doctoral student Lee Roosevelt.
- 2014 Excellence in Teaching, American College of Nurse Midwives Foundation student elected award.
- 2014 Inducted as Fellow in the American Academy of Nursing
- 2015 Editor's Choice manuscript, American Journal Obstetrics & Gynecology: Co-Author

### **Memberships in Professional Societies**

American College of Nurse-Midwives ongoing since 1985  
 Midwest Nursing Research Society ongoing since 1998  
 Michigan Nurses Association current  
 American Nurses Association current  
 American Congress of Obstetricians and Gynecologists Educational Affiliate  
 Sigma Theta Tau intermittent membership  
 American Public Health Association intermittent membership  
 American Anthropology Association intermittent membership  
 American Society for Applied Anthropology intermittent membership  
 Doulas of North American (now DONA International) intermittent membership  
 National Organization of Nurse Practitioner Faculties

### **Editorial Positions, Boards, and Peer-Review Service**

- 2002-present Peer Review Panel: *Journal of Midwifery and Women's Health*.
- 2003 Guest Editor, Home Study Issue on Female Adolescent Health.  
 Kane Low, L. Guest Editorial. From Girls to Women Through Women to Girls, *Journal of Midwifery and Women's Health*, 48(3).
- 2003-2005 *Women's Health Issues* peer review panel.
- 2010-present Peer Review Panel: *Journal of Midwifery and Women's Health*.
- 2010-present Peer Review Panel: *International Journal of Gynecology and Obstetrics*.
- 2010-present Editorial Board *Journal of the International Confederation of Midwives: International Journal of Childbirth* (inaugural edition July, 2010).
- 2012-present Editorial Board, *Journal of Perinatal and Neonatal Nursing*, appointed August 15, 2012.
- 2013 Grant Review: COST Research Proposal "Best practice framework for salutogenic maternity care in complex systems" Swiss Application, European Union Review Panel for Strong Start for Mothers and Newborn, Center for

Medicare and Medicaid Patient Centered Outcomes Initiatives: Patient Provider Network Infrastructure Oct/Nov, 2013.

Intermittent Social Science and Medicine, Midwifery, Journal of Qualitative Health Research, Birth, International Journal of Obstetrics and Gynecology, BMC Pregnancy and Maternity Care

Peer Reviewer: Health Research Board, Ireland: Grant Review for Research Training Fellowships for Health Professionals, Health and Human Services Strong Start Program, Patient Center Outcomes Research Initiatives

### **Contributions as Lead Author/Editor or Expert Author to National Standards Documents**

- 2003 Contributing Author: Clinical Bulletin No. 7 Criteria for Homebirth Services: American College of Nurse Midwives.
- 2004 Contributing Author: Clinical Bulletin No. 8 Vaginal birth after cesarean (VBAC): Division of Standards and Practice. American College of Nurse Midwives.
- 2005 Reviewer on behalf of the American College of Nurse Midwives for the Agency for Healthcare Research and Quality: Meta-analysis report on use of Episiotomy.
- 2010 Contributing Reviewer: Clinical Bulletin No 11: Intermittent Auscultation Intrapartum Fetal Heart Rate Surveillance, American College of Nurse Midwives March 2010.
- 2011 Contributing Author: Clinical Bulletin 12, Caring for Women desiring a Vaginal Birth after a Cesarean, American College of Nurse Midwives, May 2011 replaced Clinical bulletin No 8.
- 2014 Contributing Task Force Member: Best Practice Guidelines for Transfer of Care from Planned Homebirth to Hospital Settings. Homebirth Summit Organization
- 2015 Contributing Author; Post Partum Hemorrhage Safety Bundle for the Council on Patient Safety in Women's Health Care, Quality and Safety in Maternity Care. American College of Nurse Midwives Representative.
- 2015 Contributing Author and Reviewer: Revision of Clinical Bulletin No 13: Intermittent Auscultation Intrapartum Fetal Heart Rate Surveillance, American College of Nurse Midwives March 2015. Replaced Clinical Bulletin No 8
- 2015 Co-Lead Author, Safe reduction of primary cesarean delivery safety bundle for Patient Safety Council in Women's Health Care, Quality and Safety in Maternity Care, American College of Nurse Midwives Representative.
- 2015 Co-Lead Editor/Author: Midwifery Provision of Homebirth Services Clinical Bulletin No 14. Published in Journal of Midwifery and Women's Health Volume 61, November/December 2015.
- 2017 Co-Lead Editor/Author. A Model Practice Template for Hydrotherapy in Labor and Birth. Multi- organization document for American College of Nurse-Midwives, American Association for Birth Centers, National Association of Certified Professional Midwives, Midwives Alliance of North America. Published in Journal of Midwifery and Women's Health. Volume 62, No. 1, January/February 2017

**Teaching: Listing of courses taught, some are multiple year, others are single offerings (Roles in courses: Lead Faculty Professor, Lecturer or Graduate Student Instructor)**

**University of Michigan**

**Doctoral Program**

**Nursing 854/Women's Studies 698: Globalization, Culture and Women's Health.**

Doctoral level interdisciplinary seminar focused on global health policy and its impact on developing vs. developed countries. Uses a post-colonial feminist theory framework as a lens for evaluation of global health programs and initiatives, scaling up programming, W.H.O's role in women's health issues and progress towards the Millennium Development Goals. Role: Assistant Professor.

### **Graduate Master's Program**

#### **Nursing 536: Application and Utilization of Nursing Research in Advanced Practice Nursing**

This course focuses on evaluation of evidence/science to guide clinical practice, includes research methodology, critical review of the literature, development of evidence based practice projects across all clinical areas of practice. Role: Assistant Professor, Lecturer.

#### **Nursing 542: Physiologic Basis for Reproductive Health**

A basic physiology lecture for graduate nursing students in midwifery and women's health. Role: Lecturer.

#### **Women's Studies 690: Controversies in Contemporary Childbirth: What does the social science literature tell us?**

An independent study conducted with midwifery students and others to promote a greater appreciation of the social science literature and critiques of the maternity care system and the use of midwives. Role: Associate Professor

### **Graduate Midwifery Program**

#### **Nursing 679: High Risk Perinatal Care**

An advanced midwifery seminar addressing complex care issues across the maternity care cycles and for newborns. Role: Lecturer.

#### **Nursing 678: Professional Issues in Midwifery**

A leadership, administrative, business and policy issues course focused on the promotion of midwifery practice and the profession.

Role: Lecturer, Assistant Professor

#### **Nursing 676: Intrapartum, Post-partum, Newborn Care Midwifery Practice**

A clinical course covering the childbearing cycle from the onset of labor through the first six weeks post-partum including newborn care through this period. Includes clinical and classroom portion of instruction. Increased evidence based practice approach to this course, added clinical simulation sessions and expanded the clinical experiences with newborns, lactation consultants to meet educational requirements for midwifery students.

Role: Lecturer, Lead Professor

#### **Nursing 546: Care of the Woman during the Antepartum Period**

This course focuses on the prenatal period and was jointly taught to graduate midwifery and family nurse practitioner students.

Role: Lecturer.

### **Undergraduate School of Nursing and College of Literature Science and Arts**

#### **Women's Studies 483: Special Topics in Gender and Health: Global Reproductive Health Issues in Developing Countries.**

(Developed this one semester 3 credit course combined with 1 credit service learning two week program in Honduras focused on Safe motherhood Policy). Course capacity 25 students.

Role: Lecturer and faculty co-lead in Honduras.

**Women’s Studies 483: Special Topics in Gender and Health: Gender in the Health Care Professions** (co-taught with Laurie Morgan PhD sociologist as an advanced undergraduate seminar course Seminar capacity 25 students.  
Role: Assistant Professor, Lecturer.

**Women’s Studies 400: Women’s Reproductive Health**  
(Co-taught with Dr. Timothy Johnson 2001, 2004, 2005, taught independently 2006). Course focused on reproductive health issues using a feminist framework to explore and critique health care practice and policy across the reproductive cycle. Course capacity 100.  
Role: Assistant Professor, Lecturer.

**Women’s Studies 482: Challenges in Contemporary Maternity Care**  
Developed this innovative 2 credit course as an advanced seminar for Women’s Studies and Nursing students combined with the graduate midwifery students for selected seminars to offer cross exposure between midwifery, nursing and women’s studies students all interested in childbearing women’s health issues. Course capacity 10.  
Role: Assistant Professor.

**Women’s Studies 477: Feminist field experience**  
A service Learning study abroad course held in Northern Rural Honduras for 2-3 weeks annually for seven years. Course capacity 12.  
Role: Project Director, Assistant Professor, Lecturer.

**Women’s Studies/Nursing 220: Perspectives in Women’s Health**  
(Ongoing since 1997, Undergraduate student course housed in College of Literature Science and the Arts with focus on using a feminist perspective to address women’s health issues across the lifespan. Developed a framework and strategies for analysis of women’s health issues from a feminist perspective for use in the course. Course capacity initially 300, oversubscribed, increased to 375 since 2010. Is taught every term using 1 faculty and 5 graduate student instructors for discussion sections.  
Role: Associate Professor, Assistant Professor, Lecturer, Graduate Student Instructor.

**Frontier School of Midwifery and Family Nursing**  
Intrapartum: Care of the Normal Childbearing Woman  
High Risk Intrapartum: Care of the at risk Childbearing Woman  
Using a distance learning format, online discussion sessions and intensive clinical simulation sessions on site in Hyden Kentucky.  
Role: Course Coordinator.

**Master’s Thesis Projects**

Trainee Name	Time Period	Role: Project Title
Mary Doezema, Ruth Zielinski, School of Nursing	1995	Reader and Clinical Advisor: “A comparison expectant vs. active management of premature rupture of membranes at term”
Jacie Bromley, School of Nursing	1996	Reader: “The relationship between initial body mass index and two delivery outcomes length of second stage and cesarean birth”

Patsy McGowan, School of Nursing	1996	Reader: "Use of labor interventions and the relation to cesarean section deliveries in a low-risk population"
Lynn Grills, School of Nursing	1997	Clinical Advisor and Reader: "Perineal outcomes"
Joe Theriault, Jan Bartos, School of Nursing	1997	Clinical Advisor and Reader: "Adolescents' experience of prenatal care by nurse-midwives"
Donna Barasch, Marianne Dickerson, Theresa Starr, Vicki Hill, School of Nursing	1997	Second reader: "Women's experience of non-pharmacologic pain relief measures in labor: Experience versus expectations"
Annette Tomasello, School of Nursing	1997	Clinical Advisor and Reader: "The role of hydrotherapy in labor: Women's satisfaction with use"
Pam Maturo, School of Nursing	1998	Clinical Advisor and Reader: "Women's experience of labor: Evidence of the psychosexual theory of childbirth"
Holly Powers, School of Nursing	1999	Clinical Advisor and Reader: "Women's experience of midwifery care"
Joy Naughton, School of Nursing	1999	Clinical Advisor and Reader: "Attitudes and beliefs regarding the use of herbs by midwives in Michigan"
Stephanie Day, School of Nursing	1999/ 2000	Advisor: "College student's response to the meaning of birth and sources of education," (Independent Study Project)
Nancy Christensian, School of Nursing	1999/ 2000	Advisor: "Use of herbs during the antepartum period: A survey of Michigan midwifery practices",
Molly Murray, Amanda Defever, Julie Bruggemier, School of Nursing	2001	Advisor: "Control of pain in labor: Evidenced based approach education about methods of pain relief", Part 1
Carrie Dickerson, School of Nursing	2002	Advisor: "Evaluation of women's perceptions of pain management decision for labor." Part 2
Denise Cooper, School of Nursing	2003	Advisor: "Common breastfeeding myths in a nurse-midwifery practice"
Anne Winters, Jessica Burt, Chris Morelli, School of Nursing	2004	Advisor: "Survey development to assess nurse' attitudes and beliefs about the role of doulas"
Janis Smith, School of Nursing	2004	Advisor: "Barriers to oral contraceptive pill use among college students"
Jennifer Baughman, School of Nursing	2004	Advisor: "Adolescent's reflection on choices about contraception following their experience of childbirth"
Linda Hawkins, School of Nursing	2005	Advisor: "Nurses' attitudes and beliefs about the role of doulas"

Carolyn Washnock, School of Nursing	2006	Advisor: "Review of home visiting models using professionals and paraprofessionals."
Linda Suh.	2006	Review of maternal child health programs in Michigan and social support as an intervention to improve health outcomes"
Sarah Bauer, School of Nursing	2006	Advisor: "Qualitative analysis of adolescent mothers' reflection on preparation for the experience of labor and birth"
Lyric Walsh, School of Nursing	2007	Reader: "Breast cancer screening teaching intervention"
Karen Tweedy, School of Nursing	2010	Advisor: "Barriers to implementing active management of third stage labor"
Holly Hopkins, School of Nursing	2010	Thesis Advisor: "The role of doulas in addressing post-partum depression risk in the doulas care model"
Julie Jacobson-Weaver, School of Nursing	2010	Advisor: "The role of centering pregnancy as a model of care with childbearing Latinas in Washtenaw county"
Erica Wikan, School of Nursing	2010	Advisor: "Updating the state of science in support of the optimality index U.S. evidence base"

### Doctoral Students

<b>Trainee Name</b>	<b>Time Period</b>	<b>Role: Project Title</b>
Joanne Bailey, PhD School of Nursing	2005	Prelim and Dissertation Committee, School of Nursing: "Embodied marginalization: An exploration of social determinants of cervical cancer disparities"
Brianna Barker Caza, PhD Organizational Psychology, Department of Psychology	2007	Cognate Dissertation Committee: "Experiences of adversity at work: Towards an identify-based theory of resilience in the health care professions"
Kelly Ackerson, PhD School of Nursing	2008	Research Experience for N699, (first project for doctoral studies; and Dissertation Committee: "African women's perceptions of cervical cancer screening"
Stephanie Small, PhD School of Nursing	2008	N801 Mentor: "Model development related to adolescent access to contraception"
Ruth Zielinski, PhD School of Nursing	2009	Co-Chair: Dissertation committee, prelims, program planning committee, research experience: "Body image changes related to pelvic organ prolapse." Awarded the Proquest Distinguished Dissertation Award by University of Michigan.
Janine Bieda, PhD School of Nursing	2009	Dissertation Committee: "Gestational diabetes, educational intervention strategies"
Quinn Epstein-Ngo, PhD Women's Studies, Psychology	2009	Committee Member: Women's Studies/ Psychology Department (joint project) doctoral student's first project.

Margaret McLaughlin, School of Nursing	2010	Doctoral program advisor, first research project advisor: "Cost effectiveness of AMTSL for post-partum hemorrhage prevention in rural Honduras"
Julie Kruse, PhD School of Nursing	2010- 2011	Co-advisor research experience with J. Seng, reader for N699: "Development of a quality of partnership variable for the STACY project"
Melissa Saftner, PhD School of Nursing	2011	Dissertation committee member "Sexual risk experiences of American Indian adolescent females"
Ann Bell, PhD Sociology	2010- 2012	Dissertation Cognate Member for Department of Sociology: "Exploring involuntary childlessness in African American Women"
Jennifer Moore, PhD School of Nursing	2009- 2012	NRSA Advisor, Chair Prelim and Dissertation Committee: "Women's experiences of induction of labor," defended fall 2012.
Lee Roosevelt, PhD School of Nursing	2009- 2015	Faculty Advisor, Research Experience, Preliminary Examination Chair and Dissertation Chair: "Assessment and treatment of severe fear and anxiety during pregnancy and childbirth"
Jennifer Torres, PhD UM Sociology	2011- 2014	Cognate Member Dissertation, Sociology Department: "Developing professionals in maternity care"
Amy Moffat, PhD Sociology University of California, Merced	2012- 2014	The labor of support: How Doulas navigate care work. Defended Dec. 2014
Holly Hopkins, DNP School of Nursing, UM DNP program	2012- 2014	Mentor: Using evidence based guidelines for pelvic exam competence with gynecology teaching assistants: A model program
Meghan Eagen-Torkko, PhD UM School of Nursing	2013- 2015	Preliminary Examination Committee and Dissertation Committee: Breastfeeding success for women with history of PTSD and childhood trauma
Megan Diebel, DNP UM School of Nursing	2013- 2015	Mentor: DNP Program "Centering Pregnancy: "Father involvement"
Elissa Allen PhD UM School of Nursing	2016- 2017	Dissertation Committee Chair: Navigating the System: Adolescent Women and High School Bathrooms Defended Dec. 2017
Elizabeth Eisenhauer PhD UM School of Nursing	2016- 2018	Committee Member: Defended April 2018 Informed choices in biobanking: An examination of congruence between knowledge, personal & religious values, and decisions
Mallory Fox DNP program UM School of Nursing	2017	DNP Advisor: Defended Dec 2017 Health profession student's attitudes and impact on patient outcomes after participation in interprofessional education and practice experiences

Ying Sheng PhD UM School of Nursing	2016-2018	Committee Member: Defended March 2018 On the Relationship between Levator Ani Tears and Urethral Closure Pressure Following Vaginal Birth
Meagan Chuey UM School of Nursing	2016-present	PhD Advisor and Chair, has defended preliminary exam, Topic: Syrian Women Refugees Reproductive Health Decision Making
Nick Metheny	2016-present	PhD Committee Member: A Multilevel Approach to Intimate Partner Violence and Sexual and Reproductive Health in Marginalized Populations
Rachel Berman PhD	2016-2018	PhD Committee Member: Defended March 2018 University of Maryland School of Nursing Implementation of an Early Labor Intervention to Reduce Primary Cesarean Births

### International Doctoral Students

<b>Trainee Name</b>	<b>Time Period</b>	<b>Role: Project Title</b>
Cigdem Yucel, (pre-doctoral program student), Hacettepe Üniversitesi, Turkey, International Scholar, School of Nursing	03/2009-09/2009	Mentor/Advisor: For development of research methods to explore women's health issues, introduced to the optimality index-U.S."
WanRu Wu, (doctoral student), College of Nursing, Kaohsiung Medical University, Taiwan International Scholar, School of Nursing	Fall, 2009	Mentor/Advisor: For project: "Use of social media to provide prenatal education to Taiwanese couples during pregnancy"
Cigdem Yucel, (pre-doctoral program student), Hacettepe Üniversitesi, Turkey, International Scholar, School of Nursing	03/2011-09/2011	Mentor/Advisor, Dissertation Committee: "Development of the optimality index Turkey to assess perinatal health outcomes. (Returned summer 2012 for analysis support and dissertation writing support, defended September, 2012).
Marianne Nieuwenhuijze, Academie Verloskunde Maastricht, The Netherlands, doctoral student	10/2011-12/2013	Collaboration on second stage management project with focus on women's choice of birth position with manuscript to be submitted as part of her dissertation portfolio. (Returned summer 2012 for final analysis of birth transcripts from my R03 project).
Suzanne Thompson Academie Verloskunde Maastricht, The Netherlands, doctoral student	2015-	PhD committee member for project focused on promoting physiologic childbirth in midwifery education and measurement of the impact using the Optimality Index

Michele McGreggian Academie Verloskunde Maastricht, The Netherlands, doctoral student	2015-	PhD Committee Member; Ethical education of midwives for clinical practice
---	-------	---

## Fellows

Fellow Name	Fellowship	Role: Project Title
Luyun Chen PhD Bioengineering	BIRWCH	3-D ultrasound measurements of perineal body to assess risk for Levator Ani Tears
Carolyn Swenson MD	Urogynecology	Clinical Trial to assess surgical glue effectiveness for perineal second degree repair (PALS study)
Pam Fairchild MD	Urogynecology	Predicting risk for pelvic floor prolapse (POPI Study)
Kayte Spector-Bagdadi JD	Bioethics	Clinical ethics in maternity care; Electronic Fetal Monitoring
Michelle Moniz MD	Family Planning	Use of Long acting contraceptive methods
David Frey MD	Anesthesia	Visual imagery for pain and comfort in labor (VIRAL study)

## Committee, Organizational, and Volunteer Services

### University Committees

- 1997-1999 Executive Board Student, Michigan Initiative for Women's Health
- 2003-2005 Program Director, Initiative for Women's Health: Program Area in the Institute for Research on Women and Gender
- 2003-2006 Member, Executive Committee, Institute for Research on Women and Gender
- 2004-2005 Advisory Committee Member, Sexual Assault Prevention Program
- 2004-2005 Advisory Committee Member on Graduate Student Instructors: Women's Studies
- 2006-2008 Advisory Board Member, Center for Research on Learning and Teaching: Provided input into project and grant funding initiatives, participated in university wide teaching seminars as a panel member focused on integrating Graduate Student Instructors into course planning and implementation.
- 2009-2018 School of Nursing Representative, Student Relations Advisory Committee  
Key areas of focus have included revision of the student code of conduct, planning for recreational facility needs and health and wellness activity.  
Reappointed for Fall 2013-2016, 2017-2019
- 2016- School of Nursing Representative on the Advisory Board for the Student Run Free Clinic, School of Medicine.

### School of Nursing Committees

- 1994-1996 Member, Faculty Practice Plan, School of Nursing
- 1994-1999 Member, Nursing Centers Advisory Task Force, School of Nursing

- 1995-1996 Curriculum Committee Representative at large, School of Nursing  
 1995-1996 Member, Women's Health Program Planning Committee, UMMC, University of Michigan
- 1995-1996 Member, Graduate Track Coordinators Committee, Division II, School of Nursing  
 1995 Member, Recruitment Advisory Committee, Division II, School of Nursing  
 1996-1999 Member, University of Michigan Doctoral Students' Organization  
 2006-2009 Member, Doctoral Program Admissions Committee  
 2007-2008 Member, Master's Program Core Curriculum 5 Year Review Committee  
 2007-2009 Curriculum, Committee Representative at Large, School of Nursing  
 2008-2009 School of Nursing Strategic Planning subcommittee: Hedgehog Model development in response to qualitative information from School of Nursing Faculty Retreats.
- 2010-2011 N699 Requirement Review Task Force: To review research requirements MS.  
 2010-2013 Advisory Committee on Nursing Practice Outcomes: To identify measures of nursing practice outcomes within the UMHS and SON systems and clarify methods of data collection.
- 2011-2012 Doctorate of Nursing Practice Advisory Committee: to develop, plan and review policies and procedures for newly initiated program.
- 2012-2014 Curriculum Committee Representative from Division 2  
 2012-2013 Master's Essentials Review and Alignment Committee; Division 2 Representative  
 2012-2014 Advisory Committee: Doctorate of Nursing Practice, School of Nursing  
 2013-2014 UM Health System Nursing Research and Translation Committee; School of Nursing Representative
- 2013-2015 BSN to DNP Program Task Force, School of Nursing to review program models to consider implementation of a direct DNP program entry
- 2013-2014 Clinical Placement Advisory Committee: School of Nursing  
 2013-2014 Master's Programs Lead Faculty Group, School of Nursing  
 2014 Chair School of Nursing Curriculum Committee  
 2015- Administrative Group Member, School of Nursing  
 2017-2018 Ad-hoc member Faculty Practice Advisory Committee

### **Women's Studies Department Committees**

- 2003-2005 Executive Committee Member: Women's Studies Program (elected position representing Lecturer Faculty rank)  
 2008-2009 Executive Committee Member: Women's Studies Program (elected position representing Assistant Professor Faculty rank)  
 2010-2011 Graduate Certificate Program Advisory Committee  
 2011-2014 Undergraduate Curriculum Committee Member, Women's Studies Program  
 2013-2014 Women's Studies Graduate Certificate Advisory Committee  
 2015-2016 Joint Search Committee for Faculty Position in American Culture and Women's Studies for social justice and health  
 2015-2016 Co-Chair Faculty Search Committee for 100% Women's Studies position in Gender and Health and 50/50 position with American Culture  
 2016-2017 Appointed Women's Studies Executive Committee as Associate Professor  
 2017-2019 Elected member Women's Studies Executive Committee

### **Hospital/Medical School Committees, University of Michigan**

- 1995-1996 Member, Education Advisory Committee: East Medical Center Campus, UMMC, University of Michigan

- 1998-2003 Member, University of Michigan Adolescent Health Program Advisory Committee: Community Outreach Sub Committee
- 2009-present Terri Murtland Midwifery Lectureship and Scholarship Planning Committee
- 2013-2014 Member, Nursing Research Committee, appointed as Division 2 representative.
- 2017 Member, Department of OB/GYN national search committee for Department Chair.

**Regional Elected**

- 2007-2009 Elected chair, Midwest Nursing Research Society: Childbearing Research Section. Expanded the awards for research, increased the communication options for members and provided reports related to section activity to MNRS Board of Directors

**National Elected/Selected**

- 1996-1998 Elected American College of Nurse Midwives Nominating Committee, Chair role 1997-98
- 2000-2003 Elected Region 4 Representative, Board of Director's, American College of Nurse Midwives: key roles in the development of standard setting documents, liaison role to the Division of Standards and Practice, Program Committee and Financial Advisory Board for the ACNM.
- 2011-2014 Volunteer service as delegate to the Homebirth Summit, workgroups for collaboration and interdisciplinary education.
- 2013-2014 ACNM representative to ACOG-CDC Prevention of Maternal Mortality Safety Bundle on Post-Partum Hemorrhage.
- 2015-2018 ACNM Representative to the ACOG-CDC Prevention of Maternal Mortality Safety Bundle on Prevention of First Cesarean
- 2015-2016 President elect for American College of Nurse Midwives
- 2016-2018 President American College of Nurse Midwives
- 2018 Co-Chair: ACNM-ACOG Committee to review the organizational joint statement.

**American College of Nurse Midwives (ACNM) (State level)**

- 1986-present Member, Southeast Michigan Chapter, ACNM, now Michigan Affiliate
- 1987-1991 Vice President, Southeast Michigan Chapter, Chapter 7, Region 4
- 1989-1991 Member, Conference Planning Committee, Southeast Michigan Chapter
- 1990-1995 Co-Chair, Third-Party Reimbursement Task Force
- 1994-1996 Committee Chair, Political Economic Affairs, Southeast Michigan Chapter
- 1999-2000 Member, Reimbursement Committee, Southeast Michigan Chapter ACNM
- 2016- Executive Committee: Michigan AIM program to reduce maternal mortality

**American College of Nurse-Midwives (ACNM) (National level)**

- 1989-1998 Member, National Program Committee
- 1990-1992 Secretary, Service Director's Network
- 1994-2003 ACNM Junior Site Visitor, ACNM Division of Accreditation
- 1995-1996 State of Michigan Legislative Liaison
- 1995-1998 Student Affairs Committee: Liaison from Program Committee
- 1995-1999 Member, Directors of Midwifery Education (DOME) Network
- 1996-2000 Division of Standards and Practice: Clinical Practice Committee Member:
- 1998 Local Chairperson – Hospitality Liaison to the Program Committee, ACNM Annual Convention, Detroit, MI

- 1998-2000 Midwifery Business Task Force Member: Development of Resource Materials for Business Curriculum in Midwifery Education Programs
- 1998-2006 Member, Service Director's Network: elected secretary for 3 year term, leadership in development of preceptor matching programs for midwifery service/education programs.
- 1999-2009 Member, Division of Research: Interim Chair Networking Committee, member of Optimality Index Workgroup as subcommittee of Division.
- 2000-2001 ACNM Financial Advisory Board: Appointed from the ACNM BOD
- 2000-2003 Division of Standard and Practice: Appointed Liaison from the BOD
- 2001-2003 ACNM/Bureau of Maternal Child Health Provider Partnership Expert Panel for THRIVE project
- 2001-2003 National Program Committee, Liaison from the ACNM BOD
- 2003-2004 Chair: Ad hoc committee to revise the ACNM Philosophy, a standard setting document. This revised document still stands and represents a broader vision for ACNM's role in addressing human rights issues in a global context for women's health.
- 2003-2006 Division of Standard and Practice: Clinical Practice Committee: Provided review and revision of key clinical bulletins promoting evidence based practice in the areas of homebirth and vaginal birth after cesarean.
- 2003-2009 Appointed Senior Site Visitor, ACNM Division of Accreditation, conducting site visits for midwifery program accreditation. Renamed the Midwifery Education Accreditation Council.
- 2005-2010 International Research Section Committee Member, Division of Research
- 2006-2009 Chair, Division of Standard and Practice: Oversight of seven member sections: Professional liability, Quality, Clinical Practice, Business, Homebirth, Government Affairs as the volunteer structure to the ACNM for the purpose of developing and implementing policy, position statements and clinical practice standards for midwifery. Also key focus expansion and implementation of standardized midwifery practice benchmarking project, institutionalizing this project within the ACNM national office with web based data entry support.
- 2009-2015 Member, Directors of Midwifery Education (DOME) Network
- 2009-2013 Chair: Newly formed Clinical Standards and Documents Section, of the Division of Standards and Practice to provide oversight and coordination for the development of standard setting, evidence based clinical guidelines and position statement on behalf of the ACNM. Includes review of external position statements for endorsement and collaboration with other organizations on development of position statements and white papers.
- 2010-2013 Research Section Member, Division of Global Health
- Sept 2012- Strategic Taskforce: Promotion of Healthy, Normal Physiologic Childbirth as the Standard of Care for "Low Risk" Women.
- 2012-2015 Sub-Committee Chair to develop a Physiological Birth Tool Kit for Health Care Providers.
- 2013-2015 Chair. Division of Standards and Practice which includes seven sections Business, Professional Liability, Clinical Standards and Documents, Homebirth, Quality and Safety, Health Information Technology, Clinical Practice.
- 2013 Our Moment of Truth ACNM media campaign Advisory Team
- 2014 Appointed to Homebirth Task Force to develop clinical guidelines for the provision of homebirth midwifery care
- 2018 ACNM representative to the CREOG council for medical residency education

- 2018 Appointed to serve on ACNM Foundation Board
- 2018 Appointed for one year term: Chair Division of Organizational Capacity
- 2018 ACNM representative to the National Credentialing Resident Education for Obstetricians and Gynecologists

**International Professional Organizations: Midwifery**

- 2005-2011 Research Standing Committee: International Confederation of Midwives
- 2008- Optimality Index Workgroup International: American College of Nurse Midwives
- 2008- Research Advisory Network: International Confederation of Midwives
- 2008- International Normal Birth Conference Steering Committee for North America
- 2013-2016 Research Standing Committee; International Confederation of Midwives reappointed with focus on development of ICM research priorities agenda
- 2017-2020 Research Standing Committee: International Confederation of Midwives
- 2017 Voting Member Representing ACNM at the Council for International Confederation of Midwives Triennial Meeting, Toronto, Canada June 2017.

**Community Boards**

- 1988 Operation Get Down: BIRTH Teen Clinical Advisory Committee
- 1992-1994 Nurse-Midwifery Board member, Legislative Liaison, Perinatal Association of Michigan
- 1995-2007 Reproductive Health Advisory Committee, Dexter Community School District, Appointed by the School Board, as member then chair 2001-2007, participated in community survey of attitudes about curriculum for reproductive health in school, oversaw implementation of changes in curriculum to align with State requirements and community perspective.
- 2003-2005 Member, March of Dimes Program Committee for Washtenaw, Jackson counties
- 2003-2005 Appointed Ex-Officio Board Member, Center for the Childbearing Year for role related to Doulas Care Program Development
- 2008-2012 Volunteer Executive Director, Doulas Care Program, non- profit program providing volunteer doulas for low income women and families.
- 2012-2015 Appointed to Doulas Care Board of Directors, Ann Arbor, MI as vice president

**Consulting Positions**

- 1989 Nurse-Midwifery Service Development: University of Wisconsin at Milwaukee.
- 1990 Nurse-Midwifery Service Development: University of Indiana.
- 1992 Wayne State University Kellogg Foundation Program: Curriculum Development for Midwifery Education in South Africa.
- 1993 Nurse-Midwifery Service Development: University of Colorado.
- 1994 Strategic Planning / Budget Management, Hutzel Hospital Midwifery Service, Detroit, MI.
- 1995-1997 Educational Consultant: Planning Grant. Partnerships in Training for Nurse-Practitioners, Nurse-Midwives and Physician Assistants. South-eastern Michigan Partnership. University of Detroit Mercy, Cynthia Zane PhD, RN P.I. Robert Wood Johnson Foundation.
- 2003-2004 Consultant: National Survey on The Emergence of Doulas as Childbirth Paraprofessionals in the United States. P.I. Paula Lantz, PhD, School of Public Health, University Michigan, Walter J. McNerney Award Fund, first national survey of doulas.

- 2004 Simon Foundation: Think Tank on vaginal delivery versus elective C-section as women's choice in effort to prevent pelvic floor disorders, Chicago IL.
- 2006 Northern Michigan University, Development of International Service Learning Experiences for Nurses. Assisted faculty in the development of student abroad courses for implementation in the Nursing Program.
- 2007-2009 K-12 Mentor of Qualitative and Survey Data Analysis for Dr. Vanessa Dalton, National Survey of Providers Attitudes and Beliefs Related to Management of Early Pregnancy Failure.
- 2008 Consultant, Qualitative Analysis of Interviews of Domestic Violence Survivor's and their reflections on the role of Alcohol Use to develop curriculum aids for health care providers. Northern Michigan University, Blue Cross Blue Shield Funded, PI Kerri Schuling.
- 2008-2009 Contributing Reviewer/Consultant appointed by the American College of Nursing Midwives to the University of Maryland, Tri-Council for Nursing, Meta-analysis of the quality and efficacy of advanced practice nurses and nurse-midwife care report.
- 2011-2012 Consultant American College of Nurse Midwives: Oversight of Standard Setting Document revisions and position statements to promote alignment with evidence based referencing combined with review of internal consistency of position statements and policies. Developed processes and procedures for ongoing development of standard setting documents and resources for both clinical practice guidelines.
- 2016 Facilitator: Focus group of Medicaid Health Plan Administrators regarding barriers and opportunities in reproductive health services for the Medicaid Innovations Center and Kaiser Family Foundation.

## Book Chapters:

### Edited Collections:

1. Martin, K. and **Kane Low, L.** "Kind of Neanderthal" or "Perfectly Normal": Giving Birth at Home in *Women's Untold Stories: Talking Back, Breaking Silence and Voicing Complexity*. Romero, M. and Stewart, A. Eds. Rutledge Publishing. 1999.
2. De Vries, R., **Low, L.K.** Bogdan-Lovis, E. Choosing Surgical Birth: Desire and the Nature of Bioethical Advice in *Naturalized Bioethics*, Ed. Lindemann, H., Verkerk, M., Walker, M.U. Cambridge University Press, 2008.

## **Textbook Chapters**

1. Chapters: Management Skills and Models of Practice in *An Administrative Manual for Nurse-Midwifery Services*. The Nurse-Midwifery Service Director's Network, Catherine Collins-Fulea Editor. Kendal-Hunt Publishing, 1994.
2. Scheiman, L., **Kane Low, L.**, and Givens, C. "Pregnancy Care at the Corner Health Center" in *Adolescent Health Issues: Assessments, Approaches and Interventions in a Community Based Teen Health Center*. Eds. Givens, C., Chesler, J., and Share, D. The Corner Health Center: The W.K. Kellogg Foundation, 1994.
3. Updated and revised chapters: Management Skills, Financial Strategies for Practice Management and Models of Practice in *An Administrative Manual for Nurse-Midwifery Services 2<sup>nd</sup> Edition*. The Nurse-Midwifery Service Director's Network, Catherine Collins-Fulea Editor. Kendal-Hunt Publishing, 1996.
4. **Kane Low, L.**, Collins-Fulea, C., and Crane, P. Leadership and Managements Skills for Midwifery Practice Management in *An Administrative Manual for Nurse Midwifery Practices 3<sup>rd</sup> Edition*. Slager, J. Ed., Kendal-Hunt Publishing. 2005.
5. **Kane Low, L.**, Schuiling, K. (2005) Women's Health from a Feminist Perspective in *Women's Gynecologic Health*. Schuiling, K and Likis, F. Eds. Bartlett and Jones Publishers. Revised Version published in 2012.  
(Book of the Year from the Journal of Midwifery and Women's Health for 2005 and 2012)
6. Schuiling, K and **Kane Low, L.** Women's Growth and Development Across the Lifespan in *Women's Gynecologic Health*. Schuiling, K and Likis, F. Eds. Bartlett and Jones Publishers, 2005. Revised version published in 2012.
7. **Kane Low, L.** and Barroso, R. Chapter: Care practices to promote physiological birth in *Supporting a Physiologic Approach to Pregnancy and Birth* Editor Melissa Avery. Wiley-Blackwell. For publication late Spring 2013.
8. **Kane Low, L.**, King, T., Vedam, S. Second Stage Labor Management in *Varney's Midwifery 5<sup>th</sup> Edition*. Bartlett and Jones Publishers. Includes associated skills chapters for suturing, laceration repair, episiotomy, hand skills for birth. 2014.
9. Schuiling, K and **Kane Low, L.** Women's Growth and Development Across the Lifespan in *Women's Gynecologic Health*. Schuiling, K and Likis, F. Eds. Bartlett and Jones Publishers, Revised and updated version published in 2016.
10. **Kane Low, L.** and Bailey, J. *Women's Health from a Feminist Perspective, Women's Gynecologic Health*. Schuiling, K and Likis, F. Eds. Bartlett and Jones Publishers, Revised and updated version published in 2016.
11. **Kane Low, L.**, T. King, K. Osborn. Management of Second Stage Labor in *Varney's Midwifery 6<sup>th</sup> Edition*. 2018

## **Media**

Alcohol and Men's Violence Against Women. DVD produced as teaching aid for health care providers. Northern Michigan University. (Consultant on Analysis of Qualitative Transcripts. 2009).

PEARLS: Promoting Normal Physiological Birth: Power Point and Speaker Notes Presentation for American College of Nurse Midwives Membership Use. 2012. (research consultant for evidence based references for specific care practices during labor).

ACNM project to promote physiologic birth as a national strategy to improve quality maternity care. Chair of subcommittee to develop web based tool kit. [www.BirthTOOLS.org](http://www.BirthTOOLS.org). (TOOLS is for Tools to optimize outcomes of labor safely). Launched May 2014.

**Abstracts** (All posters were data based, students indicated by italics, senior role indicated by underline when in final author position)

1. Perineal Management by Nurse-Midwives: A Descriptive Study. Poe, A., **Kane Low, L.** American College of Nurse-Midwives 1997 Annual Meeting and

- Convention, Boston, Mass. and the 1997 Women's Health Issues: Global Nursing Perspective Conference, St. Thomas Virgin Islands
2. Every Woman's Labor is Unique: Call me when your contractions are 3 minutes apart. **Kane Low, L.** Martin., K., Sampsel, C. Michigan Initiative for Women's Health Graduate Student Posters. Received Best Poster Award). 1999
  3. Clinician Specific Episiotomy Rates: Impact on Perineal Outcomes: **Kane Low, L.**, Seng, J., Murtland, T., Oakley, D (1999). American College of Nurse-Midwives Annual Meeting and Convention. (peer reviewed) and AWHONN National Meeting in Seattle, Washington June 2000).
  4. Michigan Midwives Attitudes and Beliefs Regarding the Use of Herbs During the Childbearing Year. *Naughton, J., Kane Low, L., Shimp., L., Boyd, E.* ACNM Annual Meeting and Convention, 1999.
  5. Every Woman's labor is Unique. **Kane Low, L.**, Martin, K., Sampsel, C. Midwest Nursing Research Society Annual Meeting April 1999. .
  6. Perception of Risk for Cervical and Breast Cancer Among Lesbian and Bisexual Women. Lynne, S. and **Kane Low, L.** (2000). International Confederation of Midwives, Vienna Austria 2002, American Public Health Association, Boston, Mass. also presented at the 2001 ACNM annual meeting and exhibit, Washington D.C.
  7. Adolescents' Experiences of Childbirth: Contrasts to Adults. **Kane Low, L.**, Martin, K., Sampsel, C., Stewart, A. and Oakley, A. Midwest Nursing Research Society Annual Meeting, Chicago, IL, 2002.
  8. Promoting Informed Choices for Pain Relief in labor: Use of an Evidence Based Brochure. *DeFever, A., Richards, J., Muir, M., Kane Low, L.* for American College of Nurse Midwives Annual Meeting and Exhibit, 2002. (Received the best student poster award).
  9. Program Evaluation of a Community Based Volunteer Doula Program: "Being in the Community" Phase One. **Kane Low, L.** 2003. BIRWCH Program Meeting: National Institutes of Health: Office of Women's Health Research.
  10. Maternity care transitions in northern rural Honduras: A preliminary ethnographic inquiry International Confederation of Midwives, (2004) **Kane Low, L., Bailey, J., Scheib, H. Sacks, E.** Trinidad, Tobago Regional Americans Conference April, 2004.
  11. Doulas as Community Health Outreach Workers: Process Evaluation of the Doulas Care Program. **Kane Low, L., Moffat, A., Brennan, P.** American Public Health Association. Philadelphia, PA. December, 2005.
  12. Women's changing reports of urinary continence: how accurate are one-time telephone questionnaires for categorizing continence status? AD Thomason, JA Tumbarello, **LK Low**, JOL DeLancey; University of Michigan, Ann Arbor, MI 2005. Association of Urogynecology Specialists (Received Best Epidemiology Research Poster Award)
  13. The Role and Scope of Practice of Doulas as Members of the Maternity Care Team: Results of a National Survey. **Kane Low, L.** Lantz, P. *Varjay, S.* Annual Meeting of the American College of Nurse Midwives, Washington D.C. 2005. ( Received Best Poster Award from the Division of Research of the American College of Nurse Midwives).
  14. Maternity Care Outcomes for Women Cared For by Auxiliary Nurses versus Physicians at Centro Materno-Infantil in Northern Rural Honduras. Bailey, J., **Kane Low, L., Aker, E.** Annual Meeting of the American College of Nurse Midwives. Washington D.C., 2005.

15. Determining the value of implementing active management of third stage labor in a resource poor setting: A case study in Northern Rural Honduras. **Kane Low, L., Bailey, J., Aker, E. and Knittle, A.** Annual Meeting of the American College of Nurse Midwives. Washington D.C., 2005.
16. Measures of Body Image Changes Related to Pelvic Organ Prolapse: *Zielinski, R.* and **Kane Low, L.** Midwest Nursing Research Society, Graduate Student Poster Session. March 2007.
17. Promoting Safe Motherhood: A nursing case study in Northern Rural Honduras. **Kane Low, L.,** Bailey, Joanne, Motino. Midwest Nursing Research Society, Indianapolis, Indiana. March 2008.
18. Development of an instrument designed to measure body image in women experiencing pelvic organ prolapse. *Zielinski R, Low L, Tumbarello J, Miller J.* Annual Meeting of the American College of Nurse Midwives, Boston, MA, May 23-29, 2008. (Best Student Research Poster Award)
19. A Pilot Study Mapping Obstetrical Factors with Levator Ani Defects on MRI in Early Weeks Post Complex Vaginal Birth in Primiparous Women. **Kane Low, L., Zielinski, R.,** Miller, J.M. American Urological Society, Hollywood, FLA, Sept, 2009.
20. Pelvic Soft Tissue Injury and Recovery after High Risk vaginal Delivery: A study using MR Imaging. Miller, JM, Brandon, C., **Low, LK,** Huebner, M., De Lancey, JOL. American Urological Society, Hollywood FLA. Sept 2009.
21. Body Image and Sexual Health after Vaginal Birth. *Zielinski, R., Low, L.K.,* Miller, J.M. ACNM Convention; Seattle, WA. May 2009.
22. Neonatal Care by Traditional Birth Attendants in Northern Rural Honduras: An initial ethnographic inquiry. Sacks, E., Kane Low, L., Bailey, J.M., *Robles, C.,* Guzman, M. Safe Motherhood Association Conference Sept 2009.
23. Prevention of Postpartum Hemorrhage in Honduras using AMTSL. **Kane Low, L.** Bailey, J. *Sacks, E. Robles, C.* Global Health Council Annual Meeting, Washington DC, June 2010.
24. Risk of levator ani injury and pelvic floor damage post first complex vaginal birth. **Kane Low, L.** Zielinski, R., Miller, J. Midwest Nursing Research Society Annual Meeting, Columbus Ohio, March 2010.
25. Validity and Reliability of the Genital Self-Image Scale. Zielinski, R., **Kane Low, L.,** Miller, J. AUGS Annual Meeting, Long Beach Calif. Sept. 2011 and International Continence Society Meeting, Toronto Canada.
26. The relationship between pelvic organ prolapsed, genital body image and sexual health. Zielinski, R., Miller, J., **Kane Low, L.** AUGS Annual Meeting, Long Beach Calif. Sept. 2011 and International Continence Society Meeting, Toronto Canada.
27. Evaluating the probability of levator ani injury from a risk profile including maternal age and obstetric events at first vaginal birth. **Kane Low, L.,** Zielinski, R., *Tao, Y., Brandon, C., Miller, J.* American Urogynecology Society Annual Meeting, Chicago, Ill. October, 2012.
28. Assessment of genital body image in women post complex vaginal birth using the vaginal changes sexual and body image scale. Zielinski, R., **Kane Low, L.,** Miller, J. American Urogynecology Society Annual Meeting, Chicago, Ill. October, 2012
29. Three-dimensional measurement of the stretch and displacement of the perineum during labor using stereophotogrammetry. *Kim, J., Kane Low, L.,* DeLancey, J., Ashton-Miller, J. American Urogynecology Society Annual Meeting, Chicago, Ill. October, 2012.

30. Evaluating maternal recovery from labor and delivery (EMRLD): Kegal muscle tears in women with complex births but not in low risk control women. Miller, J.M., **Kane Low, L.**, Brandon, C. American Academy of Nursing, Washington D.C. October 2012.
31. Nieuwenhuijze MJ, **Low LK.** The role of maternity care providers in promoting shared decision making regarding birthing positions during second stage labor. Poster Presentation. 14th Healthcare Interdisciplinary Research Conference, Trinity College, Dublin Ireland (peer reviewed) 2013.

### **Presentations:**

All presentations are sole authored unless otherwise indicated.

Data based presentations noted by \*. Peer reviewed is indicated in ( ). Invited or keynote indicated with # and in ( ). International Presentations indicated by BOLD number

For multiple author listings, first author was presenter unless indicated. For those talks where all authors participated it is indicated.

### **Research based and invited presentations since Tenure begin # 145**

1. "Assisting Families Requesting Alternatives in Birth," Labor and Delivery staff in-service, Women's Hospital University of Michigan, July 1984.
2. "Consumer Concerns Related to the use of Fetal Monitors', Mott/Women's/Holden Hospital Community Outreach Program, September 13, 1985.
3. "Empowerment in the Hospital Setting," childbirth educators in-service, Ann Arbor, April 29, 1985.
4. "Nursing Care of the Patient with PROM," Regional Perinatal Conference sponsored by Mott/Women's/Holden Hospital, Ann Arbor, April 12, 1985.
5. "Communicating with Your Birth Attendant," community presentation sponsored by the Cesarean Prevention Movement, Ann Arbor, MI, January 1985.
6. "Options in Pregnancy & Birth," Institute for Women's Medicine, Hutzel Hospital, October 21, 1987.
7. "The role of Nurse-Midwives" Institute for Women's Medicine, Hutzel Hospital, 1988.
8. Testimony presented "Access to Prenatal Care and the Role of Nurse-Midwives as providers" Michigan State Hearings on Infant Morbidity and Mortality," 1989.  
Written testimony presented and published in *Promoting Health/Preventing Disease: Year 2000 Objective for the Nation on behalf of the Michigan Chapter of the ACNM*.
9. Moderator-Community Approach to Cocaine Abuse during Pregnancy. Perinatal Association of Michigan Fall Conference, September 1990.
10. "High Risk Health Behaviors" in-service for Maternal Child Health Advocates, Wayne State University, September 1990.
11. Moderator & Welcome address for Michigan Chapter of American College of Nurse-Midwives Annual Conference October 1989, 1990.
12. Several presentations to select Michigan Section of ACOG Committees, Chrysler Motors, Blue Cross/Blue Shield of Michigan regarding "Direct Third Party Reimbursement for OB/GYN Services to Nurse-Midwives" 1990-1991.
13. "So You Want to be a Nurse-Midwife" Michigan Chapter ACNM Annual Conference, October 1991.
14. Conducting a Normal Spontaneous Vaginal Delivery and Postpartum Care: Wayne State University Medical Students Third Year Obstetrics Rotation. Repeating Lecture 1991-1992.
15. "Reimbursement Issues for Certified Nurse-Midwives". Michigan Nurses Association Conference. Co-presenter, October 1992. (Invited speaker)
16. "Nurse-Midwifery in Michigan: The Urban Experience. Healthy Mothers/Healthy Babies. Michigan State Conference, June 1993.
17. "The Role of Nurse-Midwives in Perinatal Care." Sparrow Hospital Regional Conference. Lansing, Michigan, November 1993.
18. "The Use of Prostaglandin Gel in Nurse-Midwifery Practice". Annual Convention & Meeting of the American College of Nurse-Midwives, Orlando, Florida, 1993. (Peer reviewed)
19. "The Complexity of Providing Prenatal Care to Teens." Hutzel Hospital Perinatal Nursing Conference, February, 1994.
20. "Nurse-Midwifery: Fact, Fiction, Fantasy." Hutzel Hospital Nurse-Midwifery Conference, October, 1994.
21. "Challenging Roles Ahead: Nurse Practitioners and Physician/Nurse Collaboration." Annual Meeting and Educational Institute, Michigan Organization of Nurse Executives. October, 1994. (Invited speaker)
22. "The Growth of a Nurse-Midwifery Service: The Good, The Bad, The Necessary. Annual Convention and Meeting of the American College of Nurse-Midwives, Nashville, Tennessee, April, 1994. (peer reviewed)
23. "Cervical Ripening". OB/GYN Post Graduate Course in Modern Obstetrics, University of Michigan Department of OB/GYN, October 18, 1995.
24. First Trimester Bleeding. Southeastern Michigan ACNM State Conference. October 1995.
25. Coalition Building and Collaboration for the Care of Moms and Babies Healthy Mothers

Healthy Babies State Conference June 15, 1995 (peer reviewed)

**#26.** "Primary Health Care and Certified Nurse-Midwives in Michigan" Keynote Address: Southeastern Michigan Chapter of American College of Nurse-Midwives and Hutzel Hospital State Conference, September, 1996. (invited speaker)

27. "Challenges for the Future: Advanced Practice Nurses." Preceptor Appreciation Program, School of Nursing, University of Michigan, May 30, 1996.

28. "How to Handle Business Without an MBA: Beyond the Clinical Playing Field" and "Pearls of Wisdom from Service Directors Who Have Been There and Lived to Talk About It: A Panel Discussion Moderator: presented at the Nurse-Midwifery Service/Practice Directors First Annual Institute, University of Michigan, May, 1996.

**#29.** "Promoting Unity: Nurse-Midwives and Direct Entry Midwives": Panel Member "The Future of Midwifery in the US": Panel member

"Nurse-Midwifery and Feminism" co-presenter with Miday Belden

"Roundtable: Second Stage Difficulties" at the National Midwifery Today Conference held in Ann Arbor MI, April, 1996. (invited lectures)

30. "Midwifery Enhancement of Labor" presented at the "Michigan State Medical Society Annual Perinatal Conference. March, 1996. (invited speaker)

**#31.** "OB/GYN Grand Rounds: Midwifery Management of Second Stage" presented at St. Johns Hospital, Detroit, MI, February, 1996. (invited speaker)

\*32. Women's Voices: The Birth Experience. What Women Say about Care Practices". ACNM Annual Convention and Meeting, Boston, Mass. May 1997, (peer reviewed).

33. "Keeping Midwifery in Education" "What women want: Birth Practices" "Models of Midwifery Education" Midwives Alliance of North America Annual Meeting. Grand Traverse Resort, Michigan November 1998 (invited speaker)

**#34.** "Second Stage Management Revisited" OB/GYN Post Graduate Course in Modern Obstetrics, University of Michigan Department of OB/GYN. September 29, 1998. (invited speaker)

\*35. "Every Woman's Labor is Unique . . . Call me when your contractions are three minutes apart." ACNM Annual Meeting and Convention, Research Forum. San Francisco May 1998. (peer reviewed)

36. "Satisfaction vs. Quality of Care: Keeping Your Customers Happy" Fourth Annual Midwifery Business Institute. Ann Arbor, Michigan. October 1999.
