UMSN Guidance for Reporting Mistreatment related to Diversity, Equity and Inclusion (DEI) in the Learning Environment

7.5.2023

The faculty, staff, students, and leadership within the UMSN, as well as our clinical learning and community partners, collectively strive to foster an equitable and inclusive environment that builds on the strengths of our diversity, including our visible and invisible identities, experiences, interests, and perspectives. This commitment is further reflected within:

- UMSN DEI and Core Values
- Non-Discrimination Policy
- Student Code of Academic and Professional Conduct
- Disability Statement
- Campus Commitment to Anti-Racism
- Protection from Retaliation Policy

We understand that students may encounter challenges to our DEI values, including our commitment to anti-racism, and we must address those challenges to restore the environment for learning. The purpose of this resource is to describe the pathways for students experiencing various forms of mistreatment and/or unprofessionalism.

Students are encouraged to use this guidance to address alleged discriminatory, disrespectful, unprofessional, unethical, biased, racist, or otherwise mistreatment they encounter or observe others encountering in curricular, clinical, online and/or co-curricular contexts of learning. This includes behavior that stereotypes, excludes, harasses, or otherwise harms on the bases of visible and invisible social identities including, but not limited to, race, ethnicity, gender identity, sex, ability, sexual identity, immigration status, linguistic identity, age, weight, political identity, religion. For example, behavior that is racially or ethnically marginalizing, offensive, tokenizing, belittling, or otherwise harmful can be addressed with this guidance.

It is highly recommended that any student who experiences maltreatment make an appointment with UM Counseling and Psychological Services (CAPS). All CAPS professionals have extensive DEI training. Taking the time to reach out to CAPS is an act of self-care that is incredibly important. There are many ways to connect with CAPS.

- Call CAPS during regular business hours at 734-764-8312
- Schedule an initial consultation online 24/7 by visiting the website at caps.umich.edu.
- Reach out to the UMSN CAPS counselor Dr. Kristen Adams at adamskri@umich.edu.
- Access anonymous, peer-to-peer support, supervised 24/7 by licensed mental health practitioners via Togetherall, a free service available to UM students.
- For urgent and/or after-hours support, please contact 734-764-8312 and Press 0 to speak with a licensed mental health professional.
DISCUSS it.

The individual experiencing mistreatment should first, when possible and comfortable, attempt to resolve the matter directly with the alleged offender. The direct communication and conflict resolution strategies outlined in the UMSN EPIC Feedback Model and Communication Guidelines, or other similar communication resources for those experiencing or witnessing microaggressions and bias, can be utilized. The individual can also bring a support person if helpful.

If the student is unsatisfied with the attempted direct resolution, or direct resolution is otherwise not possible, it is appropriate for this student to use one of the mechanisms described below. Suggested options include:

- Discuss the challenge with your clinical or course faculty member, or if more comfortable, program lead, coordinator, or director. They will facilitate the reporting of issues to the relevant departmental leadership and assist with developing and implementing appropriate supportive and restorative measures.

- You can reach out to your academic advisor, who can provide information to support your reporting and connect you with supportive resources for social and emotional support within the School of Nursing and the University.

- You may also discuss the challenge with the Chief Health and Academic Equity Officer for guidance and information on UMSN and UM-wide student-driven reporting options (confidential, non-confidential, and/or anonymous options), conflict resolution, and restorative justice-based options, as well as resources for social and emotional support. Dr. Rushika Patel can be reached at (734) 647-0143 or rushika@umich.edu.

Every action will be taken to respect wishes for confidentiality; however, as Responsible Employees, the suspicion of some forms of misconduct will be promptly reported.

- If you are more comfortable, you can seek support external to the UMSN with the University Ombuds. As an off-the-record resource on campus, the Ombuds can provide resources, referrals, and guidance. The University Ombuds can be reached at ombuds.umich.edu or tleich@umich.edu.

REPORT it.

- You can also make an anonymous statement to the Office of Health Equity and Inclusion using the UMSN Virtual DEI Suggestion Box or by leaving a message at 1-844-SON-TALK. The UMSN-OHEI staff will facilitate reporting any issues to the relevant departmental leadership and/or authorities to take the appropriate measures.

- You can file a confidential or self-identified UM Campus Climate Concern.
• You can file an anonymous report on the University of Michigan Compliance hotline at (866) 990-0111, via the University of Michigan Compliance website, or via the University of Michigan Health System Compliance website.

Nursing students requesting complete anonymity via any of these mechanisms should know that doing so may interfere with the University’s ability to investigate a concern, respond to a concern, and the ability to receive information about the follow-up investigation and/or actions taken to restore and sustain a positive learning environment. Therefore, we recommend using one of the confidential options and considering leaving your name and contact information so that we can follow up and ask questions and provide updates on our actions.
