January 2020 Innovation Updates & Events Calendar

From the HiiP team:

In 2020, dedicated as the Year of the Nurse, let the start of this new decade bring you an abundance of creativity for solving important problems and spark an innovative spirit in each and every one of you.

Healthcare Innovation in the News

(1) HiiP in the News
HiiP’s website page is making progress. We hope to be live online by mid-February for use by students and faculty. Stay tuned….

(2) Bonnie Clipper’s Book: The Nurse’s Guide to Innovation: Accelerating the Journey
Bonnie Clipper, DNP, MA, MBA, RN, CENP, FACHE has made it her mission to help nurse ideas succeed. Read more on an interview with her at this link. Also check out her book on Amazon here.

(3) J&J Inaugural SONSEIL Nurse Hackathon
In November, 2019, J&J sponsored an inaugural SONSEIL (Society of Nurse Scientists, Innovators, Entrepreneurs, and Leaders) Nurse Hackathon with more than 200 nurses of all levels/backgrounds/experiences from around the globe. It was a weekend of networking, collaborating, and innovative thinking aimed at finding solutions to problems nurses experience every day.

Our own Michelle Munroe-Kramer was in attendance. Read more about the event here.

Faculty Events/Awards/Opportunities

(1) VentureWell Innovation & Entrepreneurship Conference 3/19/20-3/21/20
VentureWell’s OPEN 2020 Conference will focus on innovation and entrepreneurship research, collaboration, and best practices for education. It has interactive sessions, topical tracks, networking opportunities and office hours to discuss funding opportunities. Session tracks include: Preparing Students for Ethical Entrepreneurs; Innovation & Entrepreneurship Research: Practices, Collaborations and Entrepreneurship; Collaborating for Impact: Fostering Startup Ecosystems in Higher Education; Entrepreneurial Mindset: Effective Practices and Approaches and more.

Register by January 10, 2020 to get 15% off full conference price

For information on the conference click here.
To see the conference schedule click here.

(2) J&J Diversity in Innovation QuickFire Challenges
The Johnson & Johnson Nurses Innovate QuickFire Challenge series aims to expand the definition of what innovation means for frontline health workers by inviting nurses worldwide to develop and share their novel concepts, protocols, treatment approaches and device ideas that may have the power to profoundly change human health.

Nurse innovators with the best idea(s) receive grant funding and access to mentoring and coaching from experts across the Johnson & Johnson Family of Companies to help bring their ideas to life.

Applications are evaluated by a diverse panel of subject matter experts on the uniqueness and feasibility of the idea, the thoroughness of the approach, the identification of key resources and plan to further the idea, and the idea’s potential to profoundly change human health outcomes.

QuickFire Challenge are an extremely quick turn-around.

**Diversity in Innovation QuickFire Challenge** (up to $250,000) offers an opportunity for innovators who are Black/African American, Hispanic/Latino, and American Indian or Alaska Native to receive funding and mentorship to advance their science.

To learn more or apply, click here.

**QuickFire Challenge in Oncology** (up to $100,000) Nurses are invited worldwide to submit their innovative ideas aimed at improving oncology care.

(3) **ANA Course in Creating an Innovation Culture and Design Thinking**

Two popular nursing innovations now bundled in on packet: Creativity in Nursing and Design Thinking & Why it Matters to Nurses

Both online courses now $125.00 -- $112.50 for ANA Members
With these two courses, you'll learn how to highlight creativity in nursing, gaining valuable insights that will build creative capacity. The bundle covers design thinking, with new mindsets, skills and behaviors that create champion problem-solvers.

It's critical baseline knowledge that offers advancement and success for you and your nurses and enhanced focus on innovation for your team.

Order [here](#).

(4) **SONSEIL (Society of Nurse Scientists, Innovators, Entrepreneurs & Leaders) Membership**

From their website: “SONSEIL is purpose-built to create new opportunities and recognition for all Nurses within health care innovation. With a diverse membership, the organization collaborates across existing Nursing organizations and shares a common goal of positioning the profession to participate in developing solutions and increasing Nursing’s influence as leaders of health care innovation.”

Link to apply for membership ($125/year general membership) is [here](#).

(5) **CME Innovation Grants & Brainstorming Session**

Project proposals for continuing medical education Innovation Grants (up to $25,000) are due January 17, 2020. Interprofessional learning and team training is a target funding area. On Dec. 2, RISE Innovation Lab is co-sponsoring a brainstorming session for this funding; [registration](#) is requested.

(6) **National Macy Faculty Scholars**

This prestigious program supports "mid-career nursing and medical school faculty who are committed to careers in health professional education, are innovators, and have shown promise as future leaders" Applications are due Feb. 5, 2020. Please contact IPEcenter@umich.edu if you plan to pursue this opportunity and want support in the process.

**Student Events/Opportunities**

(1) **+Impact Studio Winter All-Campus Open House**

When: Friday January 17, 2020 2-4 pm

Where: Ross Business School, 2nd Floor Executive Residence

The campus community is invited to visit B+I's campus hub for design and impact, +Impact Studio. It is a collaboration space and fosters community for those passionate about designing for impact. The +Impact Studio located on the second floor with entrance through Blau Hall at 700 East University. Drop by and see the space, take part in some fun creative activities, and invite your friends! Snacks will be provided.
More information is here.

(2) CSED Course and Field Immersion Experience (Center for Socially Engaged Design)

In this experiential course, students learn the skills of socially engaged design during the winter semester, engage in hands-on practice with their teams, and complete fieldwork with a community partner to identify potential design opportunities. Students will earn up to 6 credits for the course, meeting during the second half of Winter 2020 and ending with 6-8 weeks of field work in the spring/summer.

For more information is here.

(3) SONSEIL (Society of Nurse Scientists, Innovators, Entrepreneurs & Leaders) Membership

From their website: “SONSEIL is purpose-built to create new opportunities and recognition for all Nurses within health care innovation. With a diverse membership, the organization collaborates across existing Nursing organizations and shares a common goal of positioning the profession to participate in developing solutions and increasing Nursing’s influence as leaders of health care innovation.”

Link to apply for Student Nurse membership ($25.00/year) is here.
