

2018-2019 UNDERGRADUATE STUDENT COMPLIANCE REQUIREMENTS

The University of Michigan School of Nursing Compliance Policy requires all School of Nursing students taking any course to be in full compliance, regardless of the course. This includes courses without a clinical component.

Compliance documents are managed by a third party vendor, www.castlebranch.com Castle Branch. All students must create an online account and upload all compliance documents into the online account. Undergraduate students should use package code UB58 to order a background check and a new account.

All compliance documents are due on **July 1** each year (except the flu shot, which is due on **October 25th** for the 2018-2019 academic year) and must be valid for the entire upcoming academic year. This means that no compliance documents may expire before the last day of classes in April, which is April 23, 2019 for the 2018-2019 academic year.
