

# DOCTOR OF NURSING PRACTICE: GLOBAL PRACTICE, POLICY, AND LEADERSHIP CONCENTRATION

Expand your understanding of evidence-based practice, policy, and leadership related to global health.

## ENROLL IN THE GLOBAL HEALTH CONCENTRATION

Talk to your graduate advisors and the Office of Global Affairs to enroll in the Global Health Concentration. This will give you a personalized plan.

## TAKE 8 CREDITS OF GLOBALLY-FOCUSED COURSEWORK

- NURS 521: Intro to Global Health OR NURS 642 Global Health Leadership (3 credits)
- Elective Course (2 credits)
- HS 530: Global Health Seminar I (1 credit)
- HS 630: Global Health Seminar II (2 credits)

## COMPLETE YOUR RESIDENCY ON CROSS- CULTURAL ISSUES

Work with global partners (virtually or in-country) to focus on 1) evidence-based practice, 2) policy, or 3) leadership.

## CREATE A COMMUNITY OF GLOBAL HEALTH COLLEAGUES

Engage with a community of peers, global colleagues, and faculty throughout your education including participation in regular Global Health Meetings and the annual Global Health Summer Institute.
